

UCL Ear Institute

Lecturer in Auditory Science: Post A
Lecturer in Clinical Audiology: Post B

Two lecturer posts in Audiology are offered at The Ear Institute.

The UCL Ear Institute is a multi-disciplinary facility which opened in January 2005 with the remit of "understanding hearing and fighting deafness". The Institute seeks to appoint two Lecturer posts as part of the BSc programme in Audiology, funded by the Department of Health.

Post A is primarily for an individual seeking to further their research in the field of hearing and balance as well as managing the undergraduate and postgraduate student research conducted during these taught courses in audiology. The candidate for this post would be expected to develop research proposals for funding and conduct research independently.

Post B is primarily for a clinical audiologist with considerable practical experience who now wishes to teach aspects of clinical audiology at undergraduate and postgraduate level. The candidate will be expected to develop and manage aspects of the current courses and develop course materials for new courses.

Salary for both posts: UCL Grade 8 in the range £34,943 - £41,244 inclusive of London Allowance per annum.

Further details and instructions as to how to apply can be found on our website: www.ucl.ac.uk/ear/jobs/jobs.htm

Closing date for both applications: 27th October 2006.

UCL Taking Action for Equality.

Guardian - Tuesday, Education - Senior HE Academic section ** (usually for Senior Lecturers, Principal Lecturers, Professors, Readers, Chairs - is this the section you really want???) **

next: 10.10.06 issue

13 x 3 cols mono @ £1950 - 30% UAG discount = £1365 + £10 production

www.guardian.co.uk/jobs website - only if taken with printed press - optional - £150 - 30% UAG discount = £105 - PLEASE ADVISE

Lecturers usually go in the HE Academic section as opposed to the Senior HE Academic section - if you wish to go in with all the other Lecturers posts then the cost for this would be: £1911 - 30% UAG discount = £1337.70 + £10 production - all other details as above - PLEASE LET ME KNOW IF THIS IS THE SECTION YOU WANT - thanks.

I feel this advert may need some specialist trade press coverage also as Audiology is a specialised area - I have done a bit of research for you and there are two very good Audiology publications you might wish to consider:

British Society of Audiology Newsletter
 next: November 2006 issue (mailed out 25.11.06)
 Full page mono @ approx £500 - still waiting for them to confirm and also give details of whether or not we could have 1/2 page and how much

and

British Audiology Association website - ads on here are free of charge, usually go live within 3 working days - there's a limit of 250 words also.

Let me know what you think.

APPROVAL (FOR GUARDIAN) REQUIRED BY: 4pm
 Thursday, 5th October 2006 please.
 Thank you.
