The Programme:

Global Brilliancy: A fantastic opportunity to learn from leaders in Audiology across the globe!

- Improving VEMP measurement with a view to explore saccular tuning curve changes with Ménière's Disease: *Steven Bell and Faten Obeidat*
- It's not just my problem, it's our problem: Supporting hearing loss self-management in older adults: *Elizabeth Convery*
- Forward and Backward Masking of Consonants in School-Age Children and Adults: *Heather Porter*

- **Using the Adaptive Auditory Speech Test (AAST) as a Screening Tool in Children and Adults:** *Karolin Shaefer*
- **Potential Alternatives to Managing Hearing Loss in Care Home Residents with Dementia:** *Rebecca Millman*
- **Musicians' Hearing:** *Samual Couth*
- **Hearing Loss and Assessment in India:** *Jeff Davies*
- **Goal Setting in Adult Rehabilitation:** *Dr Anne Olson*
- **Internet-based Interventions for Adults with Unaddressed Hearing Impairment:** *Dr Jill Preminger*
- **Dementia Screening:** *Douglas Beck*
- **Audiology Professionals and their Ethical Knowledge:** *Juan Bornman*
- **Profound and Multiple Learning Disabilities - Communication Methods and Audiological Considerations:** *Siobhan Brennan*
- **Ecological Momentary Assessment and Tele-Audiology:** *Barbara Timmer*
- **Pediatric Balance:** *TBC*

Further sessions still to be announced and also bonus presentations will be available to see once again from our 2017 e-Conference.

How does it work?

- You can register from now, up until the 15th December. **Please note that there is a cheaper rate for those who register before the 15th November**
- On the 1st December, until midnight on the 31st December, all those who have registered will have unlimited access to over 15 pre-recorded sessions from some of the world's top speakers. Please note that online support will be available until 21st December 2018
- The talks will be available 24 hours a day, so you can fit them in round your working week.
- There isn't a limit to the number of times you can log in and listen to the sessions

FEEDBACK FROM 2017:

"the e-conference was

**THE BEST
AUDIOLOGY
CONFERENCE**

I have ever attended due to the wide diversity of world leading speakers from around the globe and being able to access everything from home instead of travelling from Scotland was a massive added bonus. If the e-conference is being repeated this year,

**I WILL BE
JOINING THE
BSA AGAIN."**
